I was awarded two Clinical Excellence award points.
- 2001 – 2006* Specialist Registrar in Adult and Forensic Psychiatry – Yorkshire Higher Psychiatric Training scheme.
- 1997 – 2001* Senior House Officer in Psychiatry – West Scotland Psychiatric Training scheme.

QUALIFICATIONS

MD 1997, Certificate of Full Registration (GMC No. 4442408)

Primary medical qualification obtained in June 1997 from the Katholieke Universiteit Leuven, Belgium

Member of the Royal College of Psychiatrists, 2001, (Membership No. 803280)

LLM 2005, Mental Health Law (Commendation), Northumbria University

MBA 2014 (Pass with Merit), Manchester Business School

Approved under Section 12(2) of the Mental Health Act 1983

MEDICO-LEGAL EXPERIENCE

Criminal

I accept instructions from both Defence and Prosecution.

My experience includes assessments of fitness to plead, risk, assessment of dangerousness, impact of psychiatric morbidity upon offending and the provision of psychiatric recommendations for the purpose of sentencing.

The preparation of independent psychiatric reports for Parole Board hearings.

Mental Health

The Provision of independent psychiatric opinions for the purpose of Mental Health Review Tribunals.

Capacity assessments

I regularly provide capacity assessments including those for LPA's, Wills, Probate and Court of Protection.

Personal Injuries

The preparation of expert reports in relation to psychiatric sequelae following injuries (including road traffic accidents, work-related injuries).

APIL Expert

Immigration cases

Employment Tribunals (including GMC proceedings)

Civil and Family work

This includes fitness to parent assessments.

I prepare in excess of 100 Psychiatric Reports per year, and regularly provide oral evidence within Courts and Mental Health Review Tribunals.

WORK FOR INSURANCE COMPANIES

I am a recognised provider of psychiatric care for leading insurance companies.

TRAINING DELIVERY, SPEAKER ENGAGEMENTS AND PUBLICATIONS

I am regularly invited by healthcare providers, pharmaceutical industries and medical management companies to deliver training and lectures.

I have presented at regional, national and international scientific meetings and congresses.

I have offered training on Capacity Legislation for GP practices.

I have worked with the Royal College for Psychiatrists and Medical Schools on exam question writing and exam standard setting for both under-graduate and post-graduate medical training.

I have also published on the delivery of psychiatric healthcare within high secure prison environments (CSC) and the development of a police liaison service within medium secure services.
